

Thank you for reading this month's version of Kennedy Tank Talk. Read below for some exciting updates on Kennedy Tank.

- **Kennedy Tank inducted into the Indiana Manufacturers Hall of Fame!**

- Many thanks and congrats to all past and present teammates who played a part helping Kennedy Tank join the Indiana Manufacturers Hall of Fame. It took 120 years but we are happy to join these elite companies.

- **United Way Charity Drive**

- The Kennedy Tank team will once again participate in numerous fundraisers to benefit the United Way of Central Indiana during the holiday season. Kennedy Tank and its' team members have donated nearly 150,000 dollars over the past eight years to the United Way. Below is a pitch in Luncheon that took place last Friday to kick off this fundraiser.

- **Record Thicknesses for Kennedy Tank shop in October**

- We continue to build vessels that are thicker and thicker and October was a record breaker for us! In October, the Kennedy Tank team fabricated (5) different ASME vessels that were all over 1" thick. The thickest being 1.5" and 700 PSIG. This vessel took 10+ passes on our dual wired sub arc and passed 100% of all X-rays taken. If you are in market for a vessel 2.5" thick and under, we are here to help
